I. INTRODUCTION

aiARTmeme (\$AIM) is not just a meme coin, but a catalyst for creativity and innovation. With a total supply of 69 billion tokens, we aim to ensure liquidity and stability for our coin. To achieve this, we are launching web applications like AI arts and prompts aggregator. The revenue generated from these applications will be used to enhance the liquidity of aiARTmeme (\$AIM). Our goal is to create a sustainable ecosystem where the net income from our ventures contributes to the liquidity, ensuring stability and growth for our community of AI artists and enthusiasts.

II. TOKENOMICS

aiARTmeme (\$AIM) has a total supply of 69 billion tokens. The distribution is as follows:

- **Liquidity and Community: 80%** of the tokens are allocated to liquidity and community. This ensures a robust and active ecosystem for our decentralized community of AI artists and generative AI enthusiasts.
- **Seed Fundraising: 10%** of the tokens are reserved for seed fundraising. The initial token price for seed fundraising is set at 0.0005. This will provide the necessary capital for initial development and expansion.
- **Founders and Team: 10%** of the tokens are allocated to the founders and team, recognizing their hard work and dedication in bringing aiARTmeme (\$AIM) to life.

For the decentralized exchanges (DEX) and centralized exchanges (CEX), the initial token price is set at 0.0008. This pricing strategy is designed to ensure a fair and transparent distribution of tokens to all participants.

III. TECHNOLOGY

aiARTmeme (\$AIM) is a multi-chain token built on various platforms for maximum accessibility and efficiency. It is an ERC-20 token built on Ethereum, a BEP-20 token built on Binance Smart Chain, and a TRC-20 token built on the TRON blockchain. The smart contract technology underpinning aiARTmeme (\$AIM) ensures secure,

transparent, and efficient transactions without the need for a central authority. This decentralized approach aligns with our commitment to fostering a vibrant, dynamic community of AI artists and Generative AI enthusiasts. With aiARTmeme (\$AIM), it's all about leveraging cutting-edge technology to revolutionize the world of AI artistry.

IV. PLATFORMS AND APPS

At aiARTmeme (\$AIM), we are committed to fostering a vibrant and dynamic community of AI artists and generative AI enthusiasts. To achieve this, we have planned to launch multiple applications that will revolutionize the AI artistry landscape. These include an AI art and prompts aggregator, an AI art and prompts platform, and an NFT marketplace.

These platforms will serve as a hub for our community members to create, share, and trade their unique AI-generated artworks. By launching these applications, we aim to rejuvenate the market and bring worthy investment value to our community. Join us in this exciting journey as we redefine the boundaries of AI artistry.

V. CONCLUSION

aiARTmeme (\$AIM) represents a new frontier in the world of AI artistry. By leveraging the power of blockchain technology and the creativity of our community, we aim to revolutionize the way AI-generated art is created, shared, and appreciated. With a focus on fostering a vibrant, dynamic community of AI artists and generative AI enthusiasts, we are committed to creating a platform that celebrates creativity and innovation. Join us in this exciting journey as we redefine the boundaries of AI artistry with aiARTmeme (\$AIM). Together, we can create a future where art and technology intersect in the most beautiful ways.
